Summary

Java Full Stack Developer with knowledge of Core Java (OOP, Collections, Exception Handling, Multithreading), Advanced Java (JDBC, Servlets, JSP), Spring Boot, Spring MVC, Spring IOC, SQL, and MySQL. Skilled in developing scalable web applications using MVC Architecture and REST APIs. Experienced in frontend development using HTML, CSS, and JavaScript. Good understanding of SDLC, CRUD Operations, Debugging, and Full Stack Development.

Skills

Languages: Java, SQL, JavaScript

Core Java: OOP, Collections, Exception Handling, Multithreading

Advanced Java: JDBC, Servlets, JSP, CRUD Operations

Frameworks: Spring Boot, Spring MVC, Spring IOC, React.js

Web Technologies: HTML, CSS, JavaScript

Database: SQL, MySQL

Concepts: MVC Architecture, REST APIs, SDLC, Debugging

Internship

Java Full Stack Intern

May 2025 – Dec 2025

TAP Academy

Bangalore

- Learned Core Java, Advanced Java, Spring Boot, SQL, and Full Stack Development through hands-on projects.
- Developed backend applications using Spring Boot, Spring MVC, and REST APIs.
- Worked with MySQL database and implemented CRUD operations using SQL.
- Built responsive web applications using HTML, CSS, and JavaScript.

Projects

Food Delivery Application | *Java, Servlets, JDBC, SQL, MySQL, HTML, CSS, JavaScript*

2025

- Developed a food delivery web application with product listing, filtering, cart, and order management features.
- Implemented backend functionality using Java Servlets and JDBC.
- Performed CRUD operations and handled HTTP requests and responses.
- Designed responsive frontend pages using HTML, CSS, and JavaScript.

Clothing E-Commerce Website | *Java, Spring Boot, Spring MVC, SQL, MySQL, HTML, CSS, JavaScript, React(basics)*

2025

- Developing a full-stack e-commerce application using Spring Boot and Spring MVC.
- Implemented product management, search, filtering, and REST API functionalities.
- Integrated MySQL database for storing product and user information.
- Applied MVC Architecture, OOP concepts, and Exception Handling in application development.

Certification

- **Java Full Stack Development – TAP Academy (2025)**

Education

B.Tech in Computer Science

2025

PVKK Institute of Technology

CGPA: 7.3 / 10
